May 2014 Edition  

## Living Without Limits!

Some of the team from Cornes Toyota recently attended the "Living without Limits" event at the National Wine Centre which was heralded as one of the best lunches in Adelaide in a very long time.

Cornes Toyota was proud to sponsor this event and to contribute to this very worthy cause. The stars of the day were our 3 'Footy Legends' - Neil Kerley, Barrie Robran and Russell Ebert. They had everyone mesmerised with their footy stories, some of which hadn't been told before. They are genuine icons of our great game and true gentlemen. With just under 300 people in attendance, and close to a whopping \$40,000 raised on the day, it was an absolute success and it puts the Foundation one step closer to realising our dream of establishing the much needed House of Respite for families of children affected by Autism or Cerebral Palsy.
